- You are now registered for the tournament and are about to create your school chess club. You will arrive at your overview page where you can manage team related tasks. To be able to participate in the tournament, all club documents need to be submitted to the Swedish Chess Federation by November 15, 2024 at the latest.
- Anmälan av den här klubben är inte klar än. Nedan ser du vad klubben har skickat in för detta verksamhetsår (de gröna bockarna) samt vad ni har kvar att skicka in (punkterna). Klicka på punkterna nedan för att åtgärda det som saknas:

• Click your chosen club name with the "club" to start filling out the board. This task MUST be performed first. Now you need to choose your definite club name!

 Fill out who will be on the board (styrelse) + revisor (auditor)! (Ordförande = chairperson, Sekreterare = secretary, Ledamot = board member).

• Since the auditor is reviewing the board's work, the auditor cannot have a private relationship with anyone on the board.

 Enter the members' details and let them verify their memberships digitally (signera = sign). Enter every member individually or import a member list. <u>Guide for registration of members</u>

👪 Medlemmar

För att medlemmarna ska bli registrerade i klubben så behöver vi få in medlemsansökningar från samtliga medlemmar. Klicka på "Signera medlemsansökan" bredvid varje medlem, och skicka runt datorn så att varje elev får signera sin ansökan.

Medlemmarna måste skrivas in med deras folkbokföringsadresser, ej skolans.

• Have a democratic constitutive meeting, sign the meeting minutes (konstituerande möte) digitally via email and submit!

• If the students do not have email addresses, you can print your meeting minutes by clicking the arrow next to "SIGNERA" (sign) and then "skriv ut" (print).

• Then, sign by hand, take a picture/scan the meeting minutes and choose "ladda upp" (upload).

- Statutes (stadgar) will be automatically uploaded when you upload your meeting minutes.
- On your overview page, before playing starts, you need to add players with the pink button "LÄGG TILL SPELARE" (add players) and the drop down list. The players need to have approved memberships (name in bold, yellow square) to be able to play (gray name in red square means no approved membership).

 The team leader chooses the password that all the players will use for login at <u>Yes2Chess</u> by clicking the button with a key and "SÄTT LÖSENORD" (choose password). We recommend the same password for all players. Then click Spara (Save).

• If you need to set an individual password for a player, you can do that by clicking the "key" by the person's name. See below.

Good luck with the tournament!
