

# The Ultimate Chess Challenge

# BALD vs HAIRY

## Skopje 2019

**Jesper Hall**

**Chairman ECU Education**

**Zurab Azmaiparashvili**

**President ECU**

Some say that hair colour is important when you play chess. We strongly disagree! We believe that bald men are stronger chess players than hairy men. We baldies are ready to face a team of hairy guys in a Blitz Chess competition during the European Chess Championship in Skopje! We will play all challengers in the evenings from 22– 24 March! Come and challenge us if you dare.

*“To baldly go where no man has gone before.” (Star Trek)*
