The ECU School Chess Teacher training course comprises two days of interactive presentations, group discussions and practical exercises. The focus of the course is on how to teach chess. The course is suitable for teachers and tutors who want to make chess an exciting and educational experience for children.

The ECU School Chess Teacher Certificate is available to those who complete the course and pass an online test taken at the end of the course. The Certificate is endorsed by the European Chess Union (ECU) to recognise that the individual has an adequate level of chess knowledge and is familiar with didactical methods for the classroom.

The course is innovative in content and delivery and was developed in the ECU after a review of best practice in Europe. Over 450 teachers and tutors have attended the course in the last year.

Take your chess lessons to a new level!
