

Subject: Participation in the European School Games 2026

Dear Sir/Madam,

It is with great pleasure that we invite your school to take part in the European School Games 2026, a major international sports event for young students, which will be held **in Poreč, Croatia, from March 22 to 28, 2026.**

This project will gather more than **1,500 students from all over Europe**, creating a platform for:

- **international exchange and friendship**
- **sports competitions** in 6 disciplines (football, volleyball, athletics, 3x3 basketball, chess, judo)
- **educational and cultural activities**
- a program **for parents and friends of the participants**

The European School Games 2026 emphasize:

- **inclusivity**, where every school, club, or group of young athletes can participate without elimination rounds
- a **safe and motivating environment**, supported by top sports facilities and accommodation
- a **wellbeing approach**, linking sport, mental health, and positive social development

Eligible participants are students born between 2008–2015, competing in U15 and U18 categories. The participation fee includes 6 full-board accommodations (with a flexible option for shorter stays) in a hotel complex with excellent logistics.

Please find attached the project presentation with more details. We would also be glad to arrange a personal presentation or an exchange of ideas.

Registrations are open at <https://www.school-games.eu/log-in/> – we look forward to your participation!

Josip Košutić
