Sponsors

"The Tradewise Gibraltar Chess Festival, now in its 11th year, is often referred to as the Best Open Chess Tournament in the World. What we are doing with the Junior Chess Tournament, in partnership with the Government of Gibraltar, is seeking to extend that success to involve and engage with younger chess players from across the world, and in the time that we have been involved we have witnessed a revived interest in the playing of chess in Gibraltar amongst our young people."

Albert Isola, trustee, Kusuma Trust.

"It is very satisfying to see that following the success of the Tradewise Gibraltar Chess Festival the Junior Chess Festival is also being established very successfully. It is intended that, with the support of all sponsors and other affiliates, this Junior tournament will continue developing for the benefit of chess internationally, and particularly in Gibraltar where its positive effects are already being recognised."

Joe Hernandez, CEO, Gibraltar Sports and Leisure Authority.
